

## My name is Rocky (aka Roc-a-Doc)

Now I'm in the holiday Spirit!!

I sat down with a couple of my friends at the Bellyrub Klub who spend time with me and we discussed what I what kind of family I'm looking for.

For my entire life it was just me and my Dad. (8 years!) He has gotten sick and is now living in an extended care facility. He asked that Belly Up for Adoptions take care of me 8.5 years ago, when I was a baby, if anything ever happened to him and he couldn't take care of me anymore so, here I am.

I'm so used to just having my own person to hang out with, take car rides, go for walks, cuddle on the couch, I even let my Dad cook breakfast for me. (we liked to eat eggs and toast together in the AM) He was the best cook!

I really want a family that wants a great companion dog....I'm not a fan of other dogs or cats but love to go on walks. (If they don't bother me, I won't bother them.) I LOVE all people so I am a real friendly guy if you have friends you want to take me to visit.

I'm not a dog park dog or looking for a large extended family with too much activity or where I am put in situations where I am uncomfortable (like with other dogs or cats).

I'm an easy going guy who just needs my own person to love me and take care of me.

- Maybe a family without kids that would like to include me in things
- Maybe an empty nester looking for a companion to travel with them or take road trips.
- Maybe a returning veteran in need of a friend.
- Ideally, a person who is home, living alone that would look forward to me being there waiting for them with baited breath!! wanting to spend the rest of the day with them.

I really am used to the life I had with my Dad. We were soul mates!!

I'm healthy, neutered, up to date on shots and still have enough energy to enjoy life but not so much that you can't just relax with me and cuddle if that's what you want to do. (my personal favorite!!)

Who do you know like this? I really want to get my life back to "normal" and would love to come stay at with my friends at the Bellyrub Klub if you take a vacation, travel for work, etc. and need me to be cared for. I love it here and know everyone!!

Thanks for listening! I really want my own family and will make you proud!! Look how handsome I am!! Contact Sue or Sara, 630-542-3559, to get an application for me. I'll look it over and let you know if we might be a good match.
